

## A PACS Piece

### **New Studio Hours of Operation**

Tuesdays and Thursdays 12:20 to 4:20.

These times line up nicely with the #22 bus.

### **Welcome New Members**

Our first annual Member Drive was held at the Cornerstone Café and we gleefully surprised the patrons who hadn't noticed our poster on the window. Many studio participants, board members, and volunteering PACS society members filled half the café. Coincidentally a patron here and there happened to be an acquaintance of a current member here and there, and so some mingling happened, and new memberships were bought! The whole drive, including e-mails and word-of-mouth referrals brought in 14 new members! Our goal was 15, but perhaps someone is still intending to send in their registration.

Welcome to David Merner, Leslie Black, Rebecca Merner, Joy Kruger, Susan Pollack, Robert Clarke, Barbara Stark, Lindsay Paul, Dale Roberts, Dorothy Field, Aron Eastland, Will Heeney, Jennifer Rischmiller, Caroline Meggison.

### **Next Group Show at the *little fernwood gallery***

Open for all artists of Pandora Arts Collective Society membership, new and emerging artists in the community, and alumni artists (those who have shown at *lfg* in the past). The theme and title of the show is **Art in Motion**.

Title cards submitted May 31. Art brought in, and ready to hang on June 2. Artists reception at the Fernwood Art Stroll.

### **Fernwood Art Stroll Committee holds Garage Sale Fund-raiser**

The Annual Fernwood Art Stroll will be held again this June. Each year PACS contributes to the event by holding a group show in the *little fernwood gallery*. (Details about this show are below.) We also open our doors to introduce the community to our studio. In the past we offered drawing activities. Last year we hosted carnival games. This year we will collaboratively create with Stroll participants a giant mobile which will hang in the *lfg*.

In order for this event to be a success we need brochures/maps to guide the participants to all the studios in Fernwood. The organizing committee of the Fernwood Art Stroll is hosting an Art Supply Garage Sale to raise funds for the brochure printing. PACS is providing the volunteer 'staff' for the garage sale.

**Garage Sale: Saturday May 28<sup>th</sup>, 10 a.m. to 3 p.m. at 2107 Fernwood Rd.**

### **Calling for Volunteers!**

We need three volunteers to sell at the garage sale.
