We ♥
Volunteers

Volunteers Needed for the July 21st Paint In on Moss Street exact location TBA. It will have the same theme as the open house Art Stroll – the Universe Within We need people to help with set up, man an information table and help with the all ages art activities and take down from **8:30 at PAC to around 4:30**. We need to load up a truck and go to the site early. We need at **least 4 people** for all time slots. Bring a snack, wear layers (prepare for all kinds of weather), a water bottle and money. It's the premier art event of Victoria so take at least a couple of hours to see it and help us out for an hour or two. Our presence at this event is vital to let the public know we are here!

*As always, we appreciate our PACS
family and
the support you can give!*
