LOCAL INFLUENCE

Jane doesn't like being in the spotlight and would rather be behind the scenes helping, making art and living her truth, while collaborating with people she loves and respects. She has come to realize how the honor of becoming this year's winner in the category of Art and Culture has given her the joy of knowing she chose the right path in her life. She is so very proud in this moment and grateful for this recognition and would like to thank all the individuals who recommended her.

PACS could not be more proud of you! You are braver than you believe, stronger than you seem, smarter than you think, and loved more than you know.
CONGRATULATIONS you deserve this!

“You must give everything to make your life as beautiful as the dreams that dance in your imagination.”
